**SO WHAT ELSE IS NEW??**

Glad you asked – Check out the Classifieds page on the website. We're putting the ads on the website and including one picture per ad. Sher has 2 horses for sale. Their pictures are next to the ad on the web site.

**Horses for Sale:**

"Whisper" 14 yr old Paint mare 14.3H, \$1700 firm - beginner safe, very experienced trail horse, in foal. Calm, 1 on 1-10. TONS of photos on webpage. Pumpkin" 2.5 yr old Qtrhorse mare 13.2H & growing, \$600/nego/trade. Calm, 1 on 1-10. Photos. Last summer with prior owner - some riding round pen in bosal & saddle, did lead line rides for their kids. Contact: Sher Olson (720)434-3934  
[www.RockyMountainTrails.net/FarmCrittters.html](http://www.RockyMountainTrails.net/FarmCrittters.html)

**On another note:** Sherry Baker donated her very sweet horse Dusty who can only do light riding to a very nice man who lets disadvantaged kids groom and ride his horses. She is working out wonderfully for them. They are in need of all kinds of tack from saddles, pads, bridles, halters and lead ropes to horse blankets and brushes.. most anything horse related will be appreciated. You can check it out at <http://www.9news.com/rss/article.aspx?storyid=80732>. Shaun Lawrence phone 303-536-4560 (corrected 1/29 JK). If you want to donate but do not want to call him, bring me the tack and I will see to it that all I can gather will get to him. His place is up near Hudson. call Sherry Baker 303 621 8680 eve, or [skbaker@avaya.com](mailto:skbaker@avaya.com)

When I took Dusty there I was so happy to see the good condition his horses are in and how much he cares for them. If you look at the news clip.. you can see these children really are enjoying the horses, so if we can help him by donating some tack that we are not using and we all have some in our barns , I feel it will be a good thing.

Thanks, Sherry

## Buffalo Bill Saddle Club Trail Ride Guidelines

Buffalo Bill Saddle Club trail rides are limited to members only. However several times throughout the year we have open rides for guests and friends. Open rides are indicated on your calendar.

Trail Boss and Drag Rider are the ride Supervisors. Know who they are prior to the ride. For the sake of safety and comfort, they have the final say. No one is to ride ahead of the Trail Boss, or behind the Drag Rider. If you are asked to be the Drag Rider, you ARE NOT to PASS the LAST RIDER, except to get help, if needed. Your job is to supervise the back of the ride and you MUST BE the LAST rider.

Please be on your horse and ready to ride by the specified time.

The ride must leave on time. If you are running late, it is your responsibility to inform the Trail Boss that you will be catching up and to make sure you know the trail.

Stay on the trail between the Trail Boss and the Drag Rider. If you must leave the ride or trail, notify either supervisor.

If the Trail Boss is the Landowner, DO NOT ask to ride ahead.

Keep with the ride pace. Do not race past others OR lag behind. (If you lag too far behind, you may have to leave the ride.)

Fight erosion and stay on the trail, no shortcuts.

Pass on the left at a walk or trot after asking permission.

Maintain a safe distance between horses. Do NOT tailgate. If you or your horse get kicked, it is YOUR fault (the rider in front of you cannot see how close you are getting.)

If your horse has a tendency to kick, tie or weave a red ribbon in the tail.

Do not stop on narrow trails or at the top of a steep hill until it is safe for all riders.

Be considerate at watering places, cross down stream of drinkers at a slow pace.

Work slowly across streams. After your horse has taken a drink, continue across the stream, moving up several horse length's in order for the next horse to have a place to move to when they have completed their drink. Continue moving in this manner until all horses have completed the crossing.

All refuse must be carried out. Pack it in, pack it out. Put litter in trash cans or carry it home. Take out more than you brought in.

No smoking when mounted, filter must be carried out with remainder extinguished and buried.

Controlled dogs are allowed per rules of govern at each ride, unless specified no dogs.

Members are responsible for conduct of guests. Members are responsible to inform guests of riding guidelines. Members are also responsible for ponying of horses containing small riders who cannot comfortably control a horse at a walk, trot or stop. (Not only for the small rider's safety, but for the safety of others who may be in the path of an uncontrolled rider and horse.)

Heels and saddles are required. Breast collars, back cinches and cruppers are recommended on most rides for safety's sake.

Let's abide by these rules and make our Club an enjoyable experience for all members and guests to enjoy!

Members not able to camp, may plan to attend Overnight/weekend trips for a day ride at 10:00 am each day. Add your name to the sign up sheet for the event or contact the trail boss for that event as sometimes the attendees prefer to start earlier than 10:00am. If they know other members are driving up they will know to wait for you.
