4.) Past Rides-

- o **Moonlight Ride- Aug. 16-** cancelled due to weather. See Oct 11 below.
- o **Goose Creek- Aug. 29-** 5 riders participated. There were 2 completely different rides- Goose Creek Trail – saw rock formations and scenic views- in the open. Hankins Pass Trail- was totally in the forest. The trail itself was very nice but busy- with pack packers (no bikes) and some roads getting there were a little washed out due to all the rain. Level campground w/ fire rings and wood- very nice. The corral was makeshift and some of the horses broke out one night.
- o **Harvest Fest Parade- Sept. 6th-** 11 people rode in the parade. It was 1.25 miles long with 200 entrants. The saddle club was up front and done by 10:30. Was a good crowd. After the parade we went to the Arvada Villa restaurant for lunch –compliments of the Saddle Club. Parked in the same area next to the school that provided a warm up area.
