2.) **Reminders:**

- o **Participation is the key to fun in the club. If you plan to go on a ride please contact the trail boss by e-mail or phone so you can be made aware of any last minute changes and the trail boss can plan the ride better.**
- o **July 10-12, 2009 Winding River Resort** www.windingriverresort.com 970-627-3215 or 303-623-1121- fax your request to 970-627-5003 P.O. Box 29- Grand Lake Colorado 80447 email: Trailboss@windingriverresort.com .
- o Parades- when participating in a parade try to wear either buckskin style jackets, the blue shirts or more authentic western wear. Jackets can be bought at Shepler's or the flea market at 86th & I-70. See the link on the website for clothing.
- o Indian Creek Camp Trip May 22-25 www.ReserveAmerica.com

3.) **New Business-**

- o Members discussed the possibility of changing our meeting location. The club has met at the fairgrounds for many years. Another option to changing the location of our meetings is to provide membership ride monitors for winter indoor ring rides. This option would allow the club to save the \$660. annual room fee. The club will look into this option and report back to membership at the March meeting.
- o The January meeting at John and Alene Lind's home resulted in a great ride schedule for 2009. Chet took the members through the schedule at the meeting in record time (always a challenge, not for Chet, but to get through the schedule). Some changes were made, rides moved to include the most exciting King Mountain Ranch ride that was moved to September 11-13. Rides were added this year late into the Fall, WOW. Also, we will be going to Westcliffe for a "Pack In" August 14-16. Some of you may fondly remember those exciting pack ins of yester year© The membership unanimously approved the 2009 ride schedule (see attached).
- o Denis Midroy reminded the membership to write letters to legislators about Bill 1152 about simulcast racing that will benefit the horse industry. **House Bill 1152** allows for horse racing to survive in Colorado. It gives back large amounts of revenue to the state and state colleges and all individuals in the horse business, not just horse racing but jumping , roping, barrels, reining etc. Colorado Horse Council's website always has the latest on legislative issues <http://www.coloradohorsecouncil.com>

4.) Past Rides/Events

Last event was the planning meeting at the Lind's home.

5.) Upcoming Rides and Events

- o **March 11 Monthly Meeting - Jefferson County Fairgrounds at 7pm.** We will be talking about lining up a one day training session at the new University of the Horse. Check out their web site at www.8thheavenhorses.com
- o March 13-15 Rocky Mountain Horse Expo see www.RockyMountainHorseExpo.com for the complete list of speakers and events.
- o **March 14 St. Patrick's Day Parade** – Downtown Denver – Directions and staging information TBA. Please contact Ann Smith by email ASmith@jeffco.us or phone if you plan to attend this fun parade.
- o **March 28 Lunch** – Downtown Golden at the Bridgewater Grille, Please contact Jan Kray by email Janiece@BBSCGolden.org if you plan to attend this social luncheon.
- o The wheel of Misfortune will return next month to include the addition of new members on the list.

Ride Planning Reminders

If you do not let the trail boss know your plan to ride, they cannot let you know of last minute changes or cancellations. This is very important to remember especially for those trail rides that include a lengthy drive. If the trail boss gets there and no one shows, he or she will not know whether or not to expect you. Also please continue to check the website www.BBSCGolden.org for the latest calendar of events including some last minute changes.

If you have renewed your membership – thank you. Did you remember to print off the application/renewal form and send it to Idalyn (address on the form). We need to verify everyone's email address and mailing address for the newsletter. If you are not receiving email calendar reminders or the monthly newsletter please provide your current contact addresses to Jan Kray Janiece@BBSCGolden.org
