2. Reminders – Events Needing Reservations NOW

March 27th Patsy DeCline Show Make Reservations NOW

Lannie Garrett stars in this tongue-in-cheek spoof of all the big haired Country queens of the 50s and 60s. This is NOT a Patsy Cline tribute, but a rollicking, rawhide celebration and tease of everything Country.

Lannie, a.k.a. Patsy, is backed by her loyal pedal-steel driven quintet of FABULOUS musicians, and together they do honor to the Country classics of: Merle Haggard, Hank Williams, George Jones, Tammy Wynette ...with a few hilarious and campy takes on some other favorites, too.

With hair as big as a tumbleweed and her dazzling rodeo queen costumes, Patsy will have you rolling in the aisles with her take on life on the road, ex-husbands, hit records and her bawdy, bumpy life in showbiz.

Located on the May D&F Tower in Downtown Denver Lannie's Cabaret is NOT a restaurant so you will want to have dinner elsewhere before the show at 8PM. They do have wine and champagne and appetizers.

If you order online reply and tell them you are a BBSC member.

3. Old Business

BBSC Logo Items

Follow-up – Jan had them apply the logo for a denim shirt she bought at the shop. The shirt was \$15 and applying the logo was \$3 – Very Reasonable. She also had them apply the logo using navy thread to her 2 yellow parade scarves. These came out very well.

You can get your items by going to the Instant Imprints store in Golden. Remember the club colors are dark blue and gold/yellow. That said, you can order any item you want with any color for the thread. The fee for adding the logo to an item you buy from them is only \$3. Having them apply the logo to your item is \$6. About 2 weeks turn around time. You can look at their website for the items available. If you can't make it to the store, call and they will help you complete your order. 7. Classifieds

Stock tank heater for sale. Contact Paul Tochtrop. Lotochtrop@aol.com

10 year old registered black and white paint gelding.

Has been shown and ridden Hunter/Jumper by my daughter and trail ridden by mother and daughter. Will need a Strong Intermediate or Advanced rider. Price very reasonable for a good home or an exchange for a solid trail horse. For further details, please contact Julie at 720-984-4722.

8. AND FINALLY

Jan Kray is looking for others who are interested in riding parts of the Colorado Trail this year. Ideally we'd park a truck and trailer at the end of a segment so we can ride straight through one segment at a time. We can start in spring as soon as the trails are ice free (and maybe less foot and bike traffic). Janiece@BBSCGolden.org Not an official BBSC event.

Buffalo Bill Saddle Club Trail Ride Guidelines **(keep for you reference)**

- ♥ Always contact the designated trail boss for the event to let him know you plan to participate and to provide a way to contact you should the plan change.
- ♥ Trail Boss and Drag Rider are the ride Supervisors. Know who they are prior to the ride. For the sake of safety and comfort, they have the final say. No one is to ride ahead of the Trail Boss, or behind the Drag Rider. If you are asked to be the Drag Rider, you ARE NOT to PASS the LAST RIDER, except to get help, if needed. Your job is to supervise the back of the ride and you MUST BE the LAST rider.
- ♥ Please be on your horse and ready to ride by the specified time. The ride must leave on time. If you are running late, it is your responsibility to inform the Trail Boss that you will be catching up and to make sure you know the trail.
- ♥ Stay on the trail between the Trail Boss and the Drag Rider. If you must leave the ride or trail, notify either supervisor.
- ♥ If the Trail Boss is the Landowner, DO NOT ask to ride ahead.
- ♥ Keep with the ride pace. Do not race past others OR lag behind. (If you lag too far behind, you may have to leave the ride.)
- ♥ Fight erosion and stay on the trail, no shortcuts.
- ♥ Pass on the left at a walk or trot after asking permission.
- ♥ Maintain a safe distance between horses. Do NOT tailgate. If you or your horse get kicked, it is YOUR fault (the rider in front of you cannot see how close you are getting.)
- ♥ If your horse has a tendency to kick, tie or weave a red ribbon in the tail.
- ♥ Do not stop on narrow trails or at the top of a steep hill until it is safe for all riders.
- ♥ Be considerate at watering places, cross down stream of drinkers at a slow pace.
- ♥ Work slowly across streams. After your horse has taken a drink, continue across the stream, moving up several horse lengths in order for the next horse to have a place to move to when they have completed their drink. Continue moving in this manner until all horses have completed the crossing.
- ♥ All refuse must be carried out. Pack it in, pack it out. Put litter in trash cans or carry it home. Take out more than you brought in.
- ♥ No smoking when mounted, filter must be carried out with remainder extinguished and buried.
- ♥ Controlled dogs are allowed per rules of govern at each ride, unless specified no dogs.
- ♥ Members are responsible for conduct of guests. Members are responsible to inform guests of riding guidelines. Members are also responsible for ponying of horses containing small riders who cannot comfortably control a horse at a walk, trot or stop. (Not only for the small rider's safety, but for the safety of others who may be in the path of an uncontrolled rider and horse.)
- ♥ Heels and saddles are required. Breast collars, back cinches and cruppers are recommended on most rides for safety's sake.
- ♥ Let's abide by these rules and make our Club an enjoyable experience for all members and guests too enjoy!
